Specialty Bath & Body Producers, whether it is a single person and/or a company, must be current residents of the state of West Virginia. Products and producers must be a state-produced or in-state 50% value-added producer that is headquartered in the state and contributes to the West Virginia economy through its employment, manufacturing, packaging, purchasing, marketing and the conducting business within the state. Be prepared to show compliance. All products must be of the highest quality, safely and attractively and appropriately packaged. It must be processed in an approved FDA facility. Product must meet the West Virginia Department of Agriculture's (WVDA) criteria... i.e., product jury and label inspection.

If you have contacted Marketing Specialist at the West Virginia Department of Agriculture at 1.304.558.2210 and have received clearance for your product and product labeling, please submit 1) this form with the 2) WVDA Jurying Report and the 3) WVDA Label Inspection Report to Tamarack. You will be contacted by Tamarack's Representative.

Please send all three (3) forms to:  
Mail or fax:
